

# Driving to ArchHacks

Welcome to ArchHacks! We are thrilled that you are able to join us for a great weekend of building and collaboration. When you arrive, please follow the signs inside Bauer Hall, and our check-in volunteers will assist you.

## Directions:

If you prefer Google Maps, we have created a link for you to navigate directly:

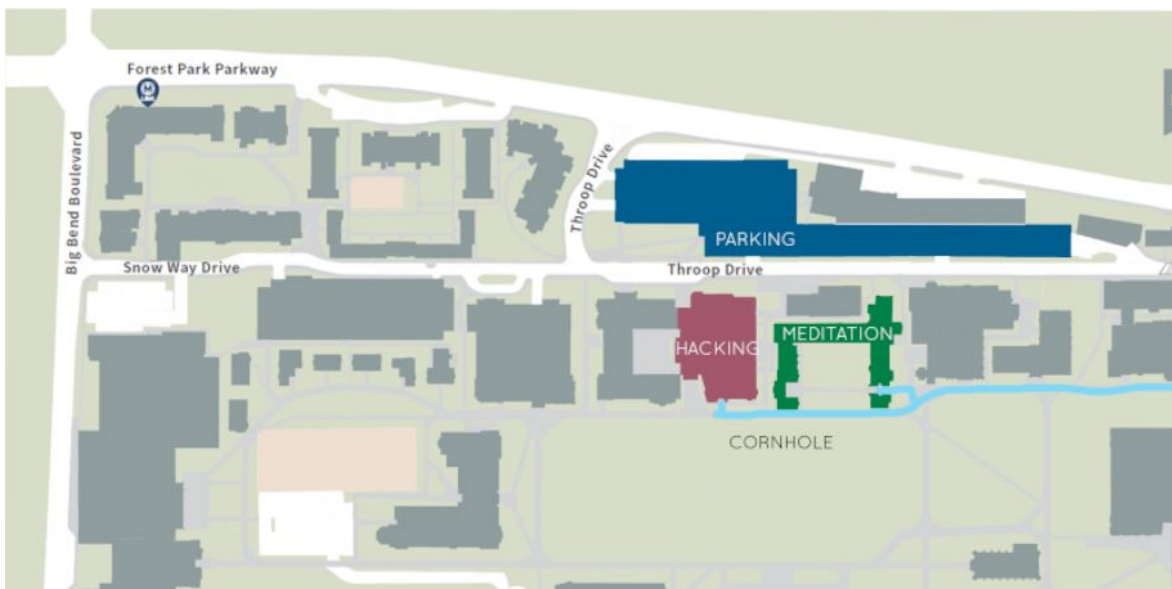

[archhacks.io/to](https://archhacks.io/to)

If you prefer another form of navigation, we suggest setting your destination as:

Parking Facility, Millbrook, St. Louis, MO 63130

- or -

38.650394, -90.310697

Navigating using any of the three addresses above will get you to the Blue garage.

## Parking in the Garage:

- There are two types of spots in the garage, but we are only permitted to use the Yellow spots.
- We will have parking passes available at the entrance for those arriving before 5pm Friday.
- We will have signage on individual spots to help clarify if it is not a freely available space.
